KJ WOOD

DISTILLERS

Hand Crafted Spirits

K J Wood Distillers, LLC is the dream of K John Wood that began taking shape in 2010. During many years as a Home Brewer and Home Wine maker John realized that the next natural step was to develop a business out of his quiet passion for fine craft beverages. Spending 2 years developing his spirit brands, John fired up the distillery in 2013. Thus with Colorado Whiskey and Heritage Gin recipes, K J Wood Distillers, LLC was born.

Utilizing the Rocky Mountain glacial waters of the high country, blended with the finest of local barley and blue corn for the whiskey and the rarest European juniper berries paired with spices from the Silk Road; a line-up of the most refined, elegant and mature spirits are available to the discerning consumer.
